

District Children's Ministry Director Report

Atlantic Wesleyan District Conference

July 11, 2024

Many have said that "Children are the church of the future." I could not disagree more! Our God works in and through the lives of children now! It is a wonderful privilege to work with our children and see the Lord work in them!

This past year we have strived to be a place of community for our Children's pastors and leaders in the local church. We have continued to gain a database of those leading throughout the district and connecting them with our team.

As I am stepping down from this position, I am looking forward to connecting and serving alongside Pastor Liz Hoyt as she takes on this position.

Respectfully submitted,

Rev. Rebecca Perry
