

District Global Partners Report

Atlantic Wesleyan District Conference

July 11, 2024

Thank you for the privilege of being able to serve again this year as your District Director of Global Partners.

This year I have continued to maintain the GP Atlantic Website as a central point for accessing information about our various Atlantic District Missionaries. Thanks to Stefan Gilbert for doing the updates on the website.

I have been in communication with the majority of our mission personnel from the district. My desire is to be able to serve as their liaison as needed between district churches and our GP personnel.

This year I took the opportunity to reach out to the majority of our pastors to either encourage them to consider GP as their primary sending agency or to thank them for being faithful to the Home Team.

We saw the Moss family return from the field this year and Mike and Shawna (last name omitted for online security reasons) finished up their partnership development and left for the work in Austria.

In January, I was able to be part of a vision trip to visit **The Wesleyan Church in Bangladesh**. What an incredible work God is doing through these brothers and sisters. We are already looking ahead to taking a full team in 2026. If you have a passion for children, education or leadership we may have a place for you on the team. But a reminder that it is neither for the timid or the thrifty.

GP-Atlantic would love to partner with local churches in the adventure. There is something that your church can do to help change the world, just reach out to me to discuss the possibilities that might be open to your church.

If you are planning a short-term trip this year, please contact me. We can provide resources as well as promote your trip through Globalpartners.ca.

Just a reminder that all local church short-term trips should be registered with Global Partners. There are resources available from GP, and more importantly, it provides another layer of protection for those from our churches who are travelling overseas. I look forward to continuing to serve both the district and our GP personnel in this capacity.

Respectfully submitted,

Rev. Denn Guptill
