Atlantic District of The Wesleyan Church Standing Rules

A. Principles

1. The ministers and lay persons of the Atlantic District are and shall continue to be committed to holy living and heart purity. Only those actions and attitudes that speak the mind of Christ should be evidenced among us.
2. The ministers and lay persons of the Atlantic District are and shall continue to be committed to a spirit of unity and brotherhood that, in the spirit of Christ, transcends the consideration of personal bias based on history, geography, or tradition.
3. The ministers and lay persons of the Atlantic District are and shall continue to be committed to Kingdom building through evangelism and discipleship. Our program and budgets shall reflect our high priority to winning the lost and discipling new converts.

B. District Conference Matters

For a more complete overview of the duties and powers of the district conference, please see paragraphs 1075-1180 in *The Discipline of The Wesleyan Church (2022)*.

1. The Atlantic District fiscal year shall be from May 1 to April 30.
2. Local churches are encouraged to give reasonable financial assistance to their delegates and pastor when representing them at annual conference sessions.
3. District Board of Administration Members-at-Large Election

The District Board of Administration shall consist of twelve members, namely, the District Superintendent, the Assistant District Superintendent, the District Secretary, the District Treasurer and eight (8) Members-at-Large. In electing Members-at-Large, while being free to vote for any nominee, the conference delegates shall be requested to consider election so as to provide for provincial/ state representation and lay/clergy parity according to the following formula which reflects our relative strength within each geographic entity.

FRESH AWAKENING

Maine 1 lay and 1 clergy
New Brunswick 2 lay and 2 clergy
Nova Scotia/Newfoundland & Labrador/Prince Edward Island 1 lay and 1 clergy

4. District Board of Administration Staggered Terms and for Members-at-Large

All Members-at-Large shall be elected for three-year terms. Incumbents may succeed themselves at the conclusion of a three-year term if nominated and elected. Should a vacancy occur during any three-year term, such vacancy shall be filled by the DBA in accordance with existing provisions of *The Discipline*.

5. Camp Board

The Camp Board shall consist of membership both full and honorary as appointed by the DBA upon the recommendation of the District Superintendent who shall serve as Chair or appoint another to do so. The DBA shall determine the structure and scope of authority of this advisory board.

6. Officer and Department Head Elections

The District Conference shall elect only those officers and boards as required by The Discipline or the District with the District Board of Administration authorized to fill all other positions. (The District Conference will elect the District Superintendent, District Secretary, District Treasurer, District Board of Administration Members-at-Large, National Conference and General Conference delegates.)

7. Year End Fund Transfers

The strength and interdependence of our various district ministries are both recognized and celebrated. At the conclusion of each fiscal year, funds will be transferred upon the recommendation of the District Superintendent and ratified by the DBA, that will maximize our Kingdom impact as expressed in our core values and vision.

C. District Ministerial Matters

1. All ministers of the Atlantic District are expected to attend the District Conference and the Ordination Service. Satisfactory reason for any approved absence shall be provided in advance to the District Superintendent. All credentialed ministers appointed to local church service are strongly encouraged to attend Ministerial events. Lay staff in pastoral roles are also welcome to attend. Lead Pastors are expected to attend or to designate a credentialed staff member to represent the church.
2. All credentialed ministers appointed to a local church are expected to support the district camping program and to share in the work of the camp(s) as assigned. A cap of four credentialed ministers will be required per church but all will be welcome to serve at the discretion of the Lead Pastor. Satisfactory reason for any approved absence shall be provided in advance to the District Superintendent.
3. Each pastor when leaving a church, will provide for the incoming pastor a data base/information packet containing information as full and complete as possible on the pastoral charge.

D. Local Church and Pastoral Matters

For a more complete overview of pastoral responsibilities and local board of administration duties, please see paragraphs 750-782 in *The Discipline of The Wesleyan Church (2022)*.

1. Pastoral recall votes shall be routinely conducted during the first two weeks of March. The meeting for an initial pastoral call will routinely be conducted anytime after the middle of March. Any pastor wishing to announce a resignation prior to March 1 may do so only after receiving the approval of the District Superintendent.
2. The tenure of an outgoing pastor shall end on the second Sunday in July and the pastoral change shall routinely take place on the following Monday.
3. Churches calling a new pastor shall pay moving expenses and related costs such as immigration expenses and travel.
4. Each pastor shall be entitled to a minimum vacation per year with pay in accordance with years of service in the ministry according to

FRESH AWAKENING

the following formula:

- 1 - 5 years service – 14 days not to exceed 2 Sundays
- 6 - 10 years service – 21 days not to exceed 3 Sundays
- 11+ years of service – 28 days not to exceed 4 Sundays

Any year of service for which a pastor is entitled to vacation is calculated from the anniversary date of the first Sunday of employment. Vacation time is fully earned upon completion of each year of service. If a pastor leaves a church prior to the anniversary date, vacation will be given on a pro-rata basis. When a pastor leaves a church at the customary time of pastoral change, the church he/she has been serving is responsible for vacation time for that conference year. No church should at any time be expected to provide vacation time in the same year for both an outgoing and incoming pastor.

5. Up to ten days including one Sunday per year are available to staff, solo and lead pastors for conference attendance, professional development, and shared ministry experience. Staff pastors must have the approval of their lead pastor and solo and lead pastors must confer with their LBA. These are to be considered minimums and may be increased by local leadership as deemed appropriate.
6. Pastors should inform the Vice-Chair of the Local Board of Administration of any plans to be absent from the pastoral charge for more than three consecutive days.
7. Sabbatical Leave:
 - a. A sabbatical leave, with pay, of up to 30 consecutive days not to include more than four Sundays, and in addition to regular vacation is available to any solo or senior pastor after completing seven years of ministry or any multiple thereof in the current place of appointment.
 - b. The specific timing of the sabbatical leave must be mutually agreed upon between the pastor and the LBA in consultation with the District Superintendent.
 - c. The church is responsible for any cost incurred in filling the pulpit during the sabbatical leave.

- d. The pastor is responsible to spend a significant portion of the sabbatical leave involved in a learning experience either formal or informal. The details of the learning experience component of the sabbatical leave are to be provided by the pastor to the LBA and District Superintendent when the dates of the sabbatical leave are being set.
- e. The pastor is responsible to file a report of the learning experience component of the sabbatical leave with the LBA and District Superintendent upon completion of said leave.
- f. If the learning experience component is in a formal setting, the LBA is requested to give consideration to assisting the pastor in the cost of attending such.
- g. If the learning experience component is an informal one to be pursued in a retreat setting, the Atlantic District will make accommodations at Beulah Camp available at no cost to the pastor during the sabbatical leave, subject to prior bookings.
- h. The LBA of any church having long-term staff pastors are encouraged to consider a sabbatical leave for such staff pastors in harmony with the general provisions of this resolution.

Daily Proceedings

Atlantic District of The Wesleyan Church 136th Annual Conference Day's Proceedings

The One Hundred and Thirty-sixth Conference of the Atlantic District of The Wesleyan Church convened in the Tabernacle of Beulah Camp, Browns Flat, New Brunswick, on July 11, 2024, at 9:00 A.M.

Welcome:

District Superintendent, Rev. Peter T. Moore, extended a warm welcome to all delegates attending the 136th Atlantic District Conference.

Rev. Amanda Oicle opened the conference in prayer.

Call to Order:

The Conference Chair, Rev. Peter T. Moore, officially called the 136th Atlantic District Conference to order.

Welcome: Rev Jeremy McDonald was introduced as the Conference Host. Roll Call ballots were distributed, and conference special guests were introduced, these included Rev. Stephen Elliott, Rev. David Higle, and Mike Morgan.

Roll Call:

Roll call for the Conference was taken by ballot. 134 Ministerial Delegates and 88 Lay Delegates registered for 222 Conference Delegates.

Organization Matters:

District Secretary, Rev. Denn Guptill, motioned the following organizational matters:

Mr. Chairman, I move the following:

1. That the Conference Bar be established as the first thirteen rows of the centre section in the Tabernacle, together with the platform area, multi-media area and teller's tables to ensure all voting delegates have the opportunity to participate as the Conference requires, and;
2. That the agenda circulated in the virtual delegate packets serve as the guide for the day's proceedings, and;
3. That any matters pertaining to other business be submitted electronically

to the Chair before the morning break, and;

4. That the sessions be governed by the hours of sitting as indicated in the agenda, and;

5. That the Teller Committee consists of Rev. Jennifer White as Head Teller, along with other members of the Conference preselected by the Chair and Head Teller, and that others that may be appointed by the Chair as required.

Support was given from the floor, and the **Motion was carried.**

Consent Agenda:

District Secretary, Rev. Denn Guptill, introduced the Consent Agenda Motion recommended by the DBA:

WHEREAS:

The implementation of a Consent Agenda provides greater margin within business meetings for other purposes;

WHEREAS:

A Consent Agenda would allow for the multiple adoption of important but perfunctory items of business to be passed without discussion in a single action;

WHEREAS:

Any item assigned to the Consent Agenda could be lifted for individual action at the request of any delegate (this does not require a seconder);

WHEREAS:

The time saved by this approach will allow for more generative deliberation and/or the investment of subject matter experts for delegate leadership development for greater ministry effectiveness in the face of cultural challenges to our shared mission;

THEREFORE, BE IT RESOLVED:

With immediate effect, the Atlantic District Conference will employ the use of a Consent Agenda. Items may be added as deemed appropriate by the Chair including but not limited to the following important actions:

- Approval of the DBMD Report (with exception to the election of Ordinands)
- Appointment of Pastoral Placements in Local Churches
- Authorization of Ministerial Credentialing Appointments

BE IT FURTHER RESOLVED:

The engagement of a Consent Agenda will be considered by the Chair for all duly convened sessions of District Conference for the foreseeable future.

Support was given from the floor, and the **Motion was carried.**

District Board of Ministerial Development Annual Report:

The floor was given to Rev. Greg Hanson, the secretary of the DBMD.

The following people were approved for ordination:

Luke Budreau
Marc Jolicoeur
Alexandria Matchett
Andrew Ross
Brett Smith

The following person was approved as a commissioned minister:

Cynthia Power

The Annual Service Reports for Ministers continue to be under review. The final report shall be filed with the DBMD Executive in August, with any pending action to be reported to the District Board of Administration in the fall (2024).

Video reports of celebrations from churches around the district were shown at several times through the day's proceedings.

Rev. Dr. Stephen Elliott, National Superintendent of The Wesleyan Church of Canada, was introduced.

The National Superintendent, invited Rev. Peter Moore to submit the District Superintendent's Annual Report.

The National Superintendent, Rev. Elliott called for the adoption of the DS's report.

Report accepted.

The entire text of the District Superintendent's report will be included in the 2024 District Journal.

Atlantic District Superintendent Report

I had the privilege recently to sit beside this man at a men's breakfast. His name is Al.

My Men's B'fast Pal, Al

When Al was about 10 years old, he had a Sunday School teacher who introduced him to the Gospel and sowed the seeds for him to accept Jesus later in life. God raised up a disciple-maker in Al's life. Part of the reason I found my conversation with Al so heartwarming, is that his Sunday School teacher in the early 1960's was my father - Bill Moore. A young teacher then in his early 20's who was about to marry my mother.

Rev. BC Cochrane, our first Superintendent, preached the night my father gave his life to Christ in the 1950's. Dad was blessed to be part of a great spiritual family - the Marysville Reformed Baptist Church which we know as Crosspoint today. And God worked through Crosspoint to raise up and release Bill Moore to be a disciple-maker for the rest of his life.

Since the days of Jesus & the Disciples, and the role model of relationships the likes of Paul & Timothy, a core responsibility of Kingdom leadership has been what we are calling our Meductic Mandate. It is about leaders like Rev. BC Cochrane and churches like Crosspoint raising and releasing disciple-making leaders like Rev. Bill Moore.

FRESH AWAKENING

Our Meductic Mandate – 400 Leaders by 2027

We fulfill this vision when we call, cultivate, and commission disciples into disciple-makers who carry on the mission for transformed lives into the four quadrants of Christ's missional mandate in Acts 1:8. All Delegates received advance access to the document, *"Why the Meductic Mandate?" - a read-only companion document for the 2024 DS Report.*

Thank you for taking the time to pre-read this so that we can dive right in today as we look at the results of our first year together. Our 2027 Vision to raise and release 400 leaders is not just about whether a person accepts their own Acts 1:8 calling as a disciple-maker, but it is about cultivating and commissioning them for the place they sense God has planned in advance to make a primary difference.

- Some will have a primary call within the walls of our local churches. This is Jerusalem – the HERE quadrant.
- Some will have a primary passion to make disciples outside the walls in our communities or through their workplace influence. This is Judea – the NEAR quadrant.
- Others will feel compelled to give their best and most to disciple Samaria – the HARD quadrant. Those who are near but different or difficult to reach. This may include multicultural work or serving families with special needs loved ones or making disciples with those dealing with addictions, homelessness, trafficking, or incarceration.
- And finally, some will feel called to focus on the Ends of the Earth – the FAR quadrant. These disciple-makers include those who strategically

lead our local churches to interdependence with the global Church as well as those who feel God is calling them to actually go and serve as missionaries.

So, with this very brief reminder, I have some encouraging news... Here are the Year One results of our Meductic Mandate!

atlanticDISTRICT
the wesleyan church

2027 Vision - Meductic Mandate

Year One (2023 - 2024) by the Numbers:

- 94% of churches
- 58% with intentional steps initiated
- 156 disciple-making leaders raised - PTL!
- 39% of 400 leaders

HERE	NEAR
95 - 61%	37 - 24%
HARD	FAR
17 - 11%	7 - 4%

The percentage of our Atlantic District churches actively engaged in raising and releasing leaders is at 94%. Just a few churches (in various stages of transition) form the majority of those who simply could not find the margin to take part this year at any level. I am incredibly pleased with a 94% rate of engagement. This is a huge win for the Kingdom in our Atlantic region.

58% of these participating churches have taken intentional steps in beginning to develop their contextual plan for raising and releasing leaders. This metric (58% with first steps) is perhaps the most encouraging. Why? Because the lead measure of implementing a plan will have the greatest impact on the lag measure of deploying disciple-makers. Especially when the first step mobilizes prayer to call workers into the Harvest.

But wait... there's more! In my conversations over the past two months, each church was invited to report – by name – the number of new disciple-making leaders raised over the past 12 months. I want to be crystal clear – this does not include people who have been leaders previously unless they were raised and released for a new focus in their disciple-making ministry. We are tracking the names – not the numbers. Every name will only be counted once in our 2027 Vision. And every name has a primary quadrant of disciple-making impact.

FRESH AWAKENING

When the dust settled, it was incredible to see the total number of 156 disciple-making leaders raised in the first year of our 2027 goal. Let's give God the glory for His provision in calling workers to the harvest. As the DBA prayerfully considered the right number for this Atlantic Vision Team goal, we agreed that 400 was the right benchmark to clearly communicate we would all need to play our part to see this happen. And God gets the glory because after just one year we are already at 39%!

And not surprisingly, the further out geographically from our local church disciple-making, the lower the percentages. Here is the breakdown of the 156 leaders by Acts 1:8 quadrant: Here - 61%, Near - 24%, Hard - 11%, Far - 4%

This is an exciting step forward for us all and I want to thank Lead Pastors, pastoral teams, key lay leaders, and local church boards for all you have invested to intentionally and strategically lean into our Meductic Mandate as an Atlantic Tribe. As I check-in this fall for one-on-one conversations with all Lead Pastors, I am eager to explore the next steps we will take together in Year Two as we raise and release the workers for the harvest God entrusts to us.

In addition to the progress in our 2027 Vision, it has been a continued year of significant rebuilding from the waning impact of our pandemic context. So, let's get ready - because we have some Holy Spirit transformation over this past church year to celebrate. Remember, every number has a name, and every name has a story that matters for eternity for God's glory. It's about unleashing churches for transformed lives. Here are some key statistics to acknowledge.

Salvations 675 +18%	Baptisms 565 +39%
Turn Around Churches	
Blacks Harbour Wesleyan Browns Flat Fellowship Community Wesleyan Crystal Wesleyan Head of Millstream Wesleyan Miramichi Wesleyan Westchester Wesleyan	Easton Wesleyan Island Wesleyan Miramichi Wesleyan Perth Andover Wesleyan Port Maitland Wesleyan The River The Reach Trinity Wesleyan Woods Harbour Wesleyan
19 salvations 26 baptisms 2024	
Local Church Membership: +9.6% Online Worship: 72% of 2023 Primary Worship: 8765 +15%	
78% of our churches grew	

- Salvations reported - 675 (+18% over last year)
- There were 6 churches with no salvations this year, which is down from 9 last year.

- We need to celebrate that of these 9 churches from last year, SEVEN had a turnaround with salvations this year. Friends, every church exists for the Spirit's work to transform lives. We need to celebrate these seven turnaround churches today for this renewed day of transformed lives in Blacks Harbour Wesleyan, Browns Flat Fellowship, Community Wesleyan in Fort Fairfield, Crystal Wesleyan, Head of Millstream Wesleyan, Miramichi Wesleyan, and Westchester Wesleyan!
- Baptisms reported - 565 (+39% over last year).
- There were 12 churches with no baptisms this year which is down from 17 last year.
- We need to celebrate of these 17 churches, NINE turnaround churches had baptisms this year over a dry year in 2023! Every church exists for these finish-line moments when public testimony is given for a transformed life. We need to celebrate these 9 turnaround churches for this renewed day of transformed lives in Easton Wesleyan, Island Wesleyan in Hampton-PEI, Miramichi Wesleyan, Perth Andover Wesleyan, Port Maitland Wesleyan, The River in Bangor, The Reach in Beals-Jonesport, Trinity in Bristol-Florenceville, and Woods Harbour Wesleyan.
- These turnaround churches in 2024 experienced a total of 19 salvations in churches with none the previous year and 26 baptisms in churches with none the previous year. Lead Pastors please stand from these two turnaround lists - let's praise God with them for this new day of Kingdom harvest from their faithfulness as sowers of Gospel seed. You are effectively leading turnaround ministry in what matters most for eternity. We honour you and all those who have been part of seeing this fruit reborn under your Kingdom labours.

Here are three other quick stats worthy of note:

- Local Church Membership increased 9.6% over 2023.
- Online Worship was only reported to be 72% of 2023 numbers. The hybrid church is here to stay. Wise churches are not only continuing to offer virtual worship but are intentionally engaging with the increasing number of those who primarily connect this way.
- Primary Worship rose to 8765. This is an increase of 15% over last year with more than three-quarters (78%) of our churches experiencing growth in Primary Worship attendance as the season of rebuilding something new continues.

We would be remiss when we gather if we did not pause to give honour to the memory of some in our ministerial family, who this past year joined that great cloud of witnesses. These include Mrs. Wilma Burbury, Rev. Karl

FRESH AWAKENING

Gorman, Mrs. Merle Gorveatte, and just one week ago today, Mrs. Vesta Mullen. We honour their memory and give the Lord praise for the shoulders of their legacy upon which we continue His work.

And as always, I give a sincere shout out to those in my innermost circle of trust and ongoing leadership for our Atlantic District team. Our Executive Administrator Karrilee Bremner, our Executive Director Tami Mutch-Ketch, our Assistant DS Scott Prime, and our DS Emeritus, Dr. HC. You are an incredible team and effectively serve our district with passion, excellence, and a sincere love for **who we are** in both our spiritual heritage and core values. My wife, Ellen, is a rock for me. Later this fall we will celebrate our 30th Anniversary. Her strength and commitment to the things that matter most – keeps our family grounded.

Like my new friend Al from the men's b'fast, only God knows how HIS story of transformed lives will be multiplied through the 156 disciple-makers raised and released through our churches this year. So, as a bookend to the first year of our 2027 Vision, we have asked three of our second quadrant new lay leaders to come forward. Tara Lawrence of Woodstock Wesleyan with Lead Pastor Dale MacDonald, and Ron & Sue Morneault of Framework in Presque Isle with Lead Pastor Jason Blaikie. All three of these completed the Pioneer Leader cohort training for workplace disciple-making ministry in their Judea.

To conclude my report today, we want to publicly commission them in prayer as they have taken ownership for new levels of disciple-making in the community of their workplaces. Following this prayer, our National Superintendent will respond to my report and then hang on to your seat because we are going to hear more about Pioneer Leaders in a testimony from Tara who is being commissioned today in prayer for this ministry. Tami is going to connect Tara's words to the book **Praying on Offense** you each received today. Please stand, for prayer by Jason Blaikie as we commission these three new 2nd Quadrant Pioneers. Let's honour them as a representation of our modern-day Meductic Mandate to raise and release leaders.

Assistant District Superintendent Report

The book of Exodus contains a remarkable narrative of Divine favour, protection, and leadership. This story resonates with our journey as a District community. In this account, Aaron's small act of service to the leader, Moses, leads to a significant victory for Israel.

Then they stood on each side of Moses, holding up his hands. So his hands held steady until sunset. Exodus 17:12 NLT

It has been a profound honour for me to 'hold up the hands' of our District Superintendent, Rev. Peter Moore, as the Assistant District Superintendent. This past year has been a journey of triumphs, trials, and celebrations. Our DS is a beacon of care for our District family and desires to witness the expansion of God's Kingdom in the Maritimes.

I would challenge you to pray for our District Superintendent, who often carries the weight of sensitive matters that are not widely known.

Why not join me this year in 'holding up' the life and leadership of our District Superintendent?

Sincerely,

Rev. Scott N. Prime

FRESH AWAKENING

Atlantic District Executive Director Report

Recently I was asked, "What does God believe about you that you don't yet know about yourself?"

Have you ever wondered what God believes about camping ministry that we don't know? What does He know that we do not yet now about discipleship and releasing a Kingdom force of lay persons in workplaces, neighbourhoods, and homes?

The 2023 summer season of camping ministry exceeded expectations. Not simply because of what we did, although the camp leadership and staffing teams at Beulah and Caton's are both amazingly effective, but because of the powerful and anointed direction given by the Holy Spirit in how to do camping ministry. Our leadership and staffing teams pray, collaborate, ask questions, seek help, and then pray some more. Each person serving at Beulah and Caton's do so primarily from their love of Jesus and the call He has placed on their life to disciple others in these ministry contexts. You see, being a disciple who discipled others is the call. Camp ministry is the context.

Here are a few highlights of the year:

- Both Beulah and Caton's camp board sessions have implemented year one of their three-year strategic plans.
- Under the leadership of Director Dean Stephenson, Caton's hosted 15 camps and 7 rental groups. Including the managers for Maintenance, Administration, Spiritual Life, and Food Services the 49 full-time staff and 37 part-time staff are excited to report that Caton's met 97% of the 2025 goal of 2,025 campers with 1,963 campers. These campers were required to stay at least one night and hear the Gospel message. Of those that heard the Gospel and experienced the love of Jesus through interactions with dedicated staff and other Christian campers, we are thrilled to report 80 salvations and 50 recommitments.
- Through Family Camp 2023 and year-round group rentals and events, *Beulah Camp and Conference Center* provided the context for hundreds of individuals to hear the Gospel and grow in their discipleship with Christ.
- The Beulah Management Team staff of 1 full-time year-round Caretaker, 1 Guest Services Manager (full-time June-September, part-time October-May); 1 part-time year-round Events Coordinator, and 1 part-time year-round Property Development Officer were the leaders who carried the greatest load in making this happen. Three summer students funded by provincial and federal grants served the Beulah community from June-August. Special thanks to Chef Hannah and her Food Services team for feeding us well, along with Acting Caretaker Wayne Clark for serving

part time from April 2024 to the present date. We are very grateful for his investment in the functioning of Beulah while our full time Caretaker Mike White recovers from a health concern.

- On the recent May Workday, Beulah held an information session for interested users and leaseholders with a second session scheduled for Saturday, August 24th at 10:30 am. The feedback from the camp board's focus on increased communication, stewardship of resources, and focus on reclaiming our spiritual heritage has been overwhelmingly positive and supportive. Be sure to sign up for the Beulah e-Newsletter at www.beulahcamp.com.
- Camp ministry infrastructure needs and maintenance are well underway. At Beulah, Phase 1 of the Tabernacle Terrace has been completed with the removal of the Riverview dorm in November and basic groundwork started in the spring. With Phase 1 completely funded by donors, we are looking forward to the activation of Phase 2 as funds are raised. Be sure to view the artistic renders of the proposal on the posted sign in the Tabernacle Terrace area. With the focus on getting our house in order before beginning this new project, much needed repairs and upgrades have been activated. In April, the Heritage Hall roof was replaced, and repairs were done to the Tabernacle roof along with the installation of some new upper windows and the start of the restoration of the lower windows with three completed. McDowell dorm has received a new ventilation system along with upgrades to the lobby; in the Hotel/Dining Hall the walk-in cooler/freezer has been completely refurbished along with an upgrade to main floor washroom facilities for accessibility (special thanks to Mrs. Charlene Mackenzie); and the Centennial Park units have received new steps along with the removal of old ventilation systems in the preparation for new. The special assessment fee of \$700 sent to leaseholders in May is making a significant impact in providing the required funds for getting this work done. We invite all users of Beulah to donate to our deferred maintenance fund and/or general operations to assist us in facilitating improved services to the entire Beulah community. We are committed to long-term sustainability in the spiritual purpose of these sacred grounds, but we need your support to do so. Please read the financial newsletter on www.beulahcamp.com for more information.
- At Caton's Island, *The Lodge* has been completed to a high spec to provide comfortable accommodation for speakers and adults and their families who want to volunteer and offer their skills and abilities at the camps. We are thrilled to share that this new building has been paid for and ready to use for the summer of 2024! Plans are now in place for activation of Phase 2 of the construction of the new Administration Building replacing the present Main House beginning in the fall of 2024.

FRESH AWAKENING

The staff dorm has also received an upgrade in accommodation spaces and a new roof due to the repair work needed from the 2023 winter storms. We are extremely grateful to all who gave donations through the Caton's Fundraiser Dinner May 26th for a total of \$80,000. This much-needed financial boost allowed us to be effectively prepared for the 2024 camping season. Thank you for your ongoing investment in this life-changing ministry for children and youth. If you want to learn more, please visit our website. www.catonsisland.com

- Our volunteers are the key to the effectiveness of camping ministry for seasonal programming and year round services. In addition to those who share their time in making seasonal programming and Family Camp a success, we are thankful for the year round residents of Beulah and the various ways in which they contribute their gifts and expertise to the overall functioning of the community. Their focus on living as active contributing citizens within the larger community of Browns Flat is having positive impact and influence in creating opportunities to share the Gospel through basic acts of care and friendship thereby removing the mystique of the Beulah grounds. Thank you to all who make this sacred space a place of fellowship, friendship, and faith.

The Atlantic District team is committed to fulfilling the mission of unleashing churches for transformed lives. With the 2027 target of raising and releasing a core of 400+ new church leaders, I am pleased to report the contagious fervor within laity who want to grow in their discipleship and discipling of others. The first cohort of **Pioneer Leaders** has completed a 13-week training in which each Pioneer, with support from their Lead Pastor, has developed a strategy for how they will share the Gospel and disciple others in their workplace or community. The 2nd annual retreat of Come Away My Beloved resourced 65 women from NB, NS, and PEI with spiritual tools and a strengthened knowledge of who they are in Christ. As a result, women from across the district are seeking coaching in forming Discipleship Groups (D-Groups) using John Wesley's band structure. As a result of the formation of accountability groups, mentoring partnerships and spiritual direction, lives are being transformed as holiness is pursued! May this be our **Antioch moment** as laity come alongside clergy in fulfilling the Great Commission - through one relationship, one act of love, one conversation at a time.

What does God believe about you that you don't yet know about yourself? Is He calling you to disciple others in the contexts in which you live and work? Are you sensing a prompting to lean more into the ministry of Beulah and Caton's? As always, I'm here to chat - and more importantly - pray with you as you grow in your discipleship and investment in others.

Thanks be to God for His blessing and provision,

Tami Mutch-Ketch

Riverside Camp Director Report

One of the unique vantages points I have as the Camp Chairman stems from the fact that I am also a full-time youth pastor. I can watch first-hand the lasting fruit of Riverside Wesleyan Camp throughout the year. Last summer, the faithful teaching of Vaughan Martin, McCaila & Timothy Andrews as well as Jason Parker - who all taught on Life with the Holy Spirit - led to TEN baptisms by the middle of the fall. I specifically reference this because in each conversation with the baptism candidates, without any prompting they each referred to their teachings and how their time at Camp was a turning point within their own journey with Jesus. The long-standing heritage of Riverside has been and continues to focus on providing a "down to earth" space for people to encounter Jesus' transforming presence and cultivate a vibrant faith with Him. Again - as a pastor, the five days of camp are invaluable when it comes to the yearly rhythm of people's lives. This is not limited to campers but to our adult staff as well. In fact, I would say the vast majority of the growth I see from Riverside comes from those who give of their time to minister there through the month of July.

Last July we set out with the goal to begin renovating all our Girls cabins by Kids Camp July 2024. I am pleased to say that by the time of District Conference we will have completed this task. This renovation has involved an enormous amount of painting that has largely been done by a work crew from The River Church (Mark Soone) in Bangor, new mattresses and several new bunks. Also, thanks to the resourcefulness of Camp Board members we have been able to completely overhaul our girls' cabins for 30% of our proposed budget. The biggest benefit of this is that it will allow us to also renovate our boys' cabins for far less than has been projected.

While increasing the comfortability of a camper's stay is valuable, it is no secret that Riverside Camp needs to prioritize sustainability. Over the course of the winter the Camp Board has put together and begun working through a sustainability plan. This includes but is not limited to the reworking of our expenses to cut the cost of doing business. Offering cabins for rentals as well as the rest of the campgrounds for larger events. We will also be adding more camper hookups which will allow us to cater to those who would like a quiet and affordable place to spend their weekends. At the present time my goal is to have our website, policy & procedures ready for us to begin offering these services beginning in May 2025.

At the end of the day, we are working towards sustainability that will allow us to keep registration costs for campers low.

Respectfully submitted,

Parker Davis

Atlantic Children's Ministry Director Report

Many have said that "Children are the church of the future." I could not disagree more! Our God works in and through the lives of children now! It is a wonderful privilege to work with our children and see the Lord work in them!

This past year we have strived to be a place of community for our Children's pastors and leaders in the local church. We have continued to gain a database of those leading throughout the district and connecting them with our team.

As I am stepping down from this position, I am looking forward to connecting and serving along side Pastor Liz Hoyt as she takes on this position.

Respectfully submitted,

Rev. Rebecca Perry

Atlantic District Youth Presidents Report

We thank you for allowing us to serve another year as your District Youth Presidents. We are so thankful for all God has done this year in youth ministry! On any given week, nearly 900 students are attending one of the forty-one youth ministries in our district, with the average group having 21 students seeking to learn more about who God is. The number of students engaging with youth ministry in our district is nearly 2200!

We asked our Youth Pastors to share some highlights of their ministry this year, and it was amazing to see how God is working through our churches!

There is no bigger celebration than when someone decides to give their life to Jesus and wants to enter the waters of baptism. Daniel Mansvelt (Hillside) shared that they baptised 5 students this year and were celebrating a student who accepted Jesus at Kingswood University's Encounter weekend in November! Bradford Jordan (Amherst) celebrated the baptisms of six students!

Many of our youth ministries work together in their region because we are stronger together. Luke Budreau (Journey) shared about the Fredericton Youth Rally, a partnership with 22 different churches that had over 500 students plus 100 leaders coming together for kingdom collaboration.

In February, Brett Smith (Yarmouth) and South Shore Youth hosted a regional worship night with over 110 students coming from seven churches. The Ridge, Houlton, Framework, and Woodstock came together for an all-nighter event in Woodstock with Josh Forbes from Kings Church speaking. Parker Davis (Framework) shared about an Aroostook County youth rally with seven churches. We are better together.

We'd be remiss to not mention One Con. 136 churches from several different denominations working together to bring a focus to prayer in our region for students. Over 3000 people attended, and the stories are still coming in of how God worked over the weekend.

If you're a Youth Pastor serving in our District, paid or volunteer, under ministerial appointment, or serving as a lay leader, we would love to hear from you if you have any questions, need resources, or just need someone to talk to. We want to support your local ministry! We are constantly looking for new ways to encourage and raise up youth leaders across the district because we believe that we are better together.

Respectfully submitted,

Rev. Martin Stehouwer (SJ1) & Rev. Ryan Genereaux (Woodstock)

District Director of Global Partners Report

Thank you for the privilege of being able to serve again this year as your District Director of Global Partners.

This year I have continued to maintain the GP Atlantic Website as a central point for accessing information about our various Atlantic District Missionaries. Thanks to Stefan Gilbert for doing the updates on the website.

I have been in communication with the majority of our mission personnel from the district. My desire is to be able to serve as their liaison as needed between district churches and our GP personnel.

This year I took the opportunity to reach out to the majority of our pastors to either encourage them to consider GP as their primary sending agency or to thank them for being faithful to the Home Team.

We saw the Moss family return from the field this year and Mike and Shawna (last name omitted for online security reasons) finished up their partnership development and left for the work in Austria.

In January, I was able to be part of a vision trip to visit **The Wesleyan Church in Bangladesh**. What an incredible work God is doing through these brothers and sisters. We are already looking ahead to taking a full team in 2026. If you have a passion for children, education or leadership we may have a place for you on the team. But a reminder that it is neither for the timid or the thrifty.

GP-Atlantic would love to partner with local churches in the adventure. There is something that your church can do to help change the world, just reach out to me to discuss the possibilities that might be open to your church.

If you are planning a short-term trip this year, please contact me. We can provide resources as well as promote your trip through Globalpartners.ca.

Just a reminder that all local church short-term trips should be registered with Global Partners. There are resources available from GP, and more importantly, it provides another layer of protection for those from our churches who are travelling overseas. I look forward to continuing to serve both the district and our GP personnel in this capacity.

Rev. Denn Guptill

District Clergy Care Coordinators Report

We have been honoured to come alongside many individuals and couples this past year to offer care through coaching or counselling. Whether it be online or in-person, individually or with a ministry couple coming for a day or multi-day experience, God has been present and bringing hope.

In this past year, a significant change occurred in the dissolution of Full Strength Network. Many District clergy were members and received support through this amazing ministry. We are waiting to see if a new or reorganized version of FSN may arise.

The District has a task team exploring the best ways to offer support and ongoing care for our pastoral leaders, marriages and families. We are excited to be a part of the team. A report is to be brought forward at the November DBA meeting.

What is available?

- The Atlantic District will provide for pastors (and immediate dependent family members) appointed to our local churches, up to three counselling/coaching sessions each, per year. These are confidential sessions invoiced to the District recorded in an anonymous way that names are not included.
- For Atlantic District pastors (and immediate dependent family members) serving in the state of Maine, the number of sessions increases to 5 each, per year, due to the reality of not being a part of the District Blue Cross plan.
- Additional counselling sessions are available through Blue Cross insurance as Jay is a Blue Cross provider. There is a small co-pay and yet it keeps the of "out of pocket" expense minimal.
- Sessions can be booked virtually, or in-person based on location, distance and schedules.
- A come-away experience is also available at Beulah Camp (based on scheduling) at Footloose Cottage with "person to person" or "couple with couple" sessions based on the need. Accommodations are covered. Primary cost would be travel to and from Beulah as well as your meals with at least one meal provided together with the Guptills.

Feel free to speak with us and share ideas of how the Atlantic District can offer care and support in the areas of coaching and counselling.

2024 District Treasurer's Report

As we continue to rebuild our local churches in a much more stable post-pandemic context, the 2024 Fiscal Year has proven to be a continued challenge for a few of our churches. However, a significant number of our churches are experiencing greater financial strength than before the pandemic. Thankfully, most have settled in to a "new normal" in relation to giving patterns and their fiscal outlook for FY25. We are blessed by the perseverance and diligence of faithful leaders who are facing-off with their boards and church families in building something new as the waters of the past three years of fiscal impact continue to recede.

The overview that follows provides a snapshot of our district financial position at the end of FY2024. The collapsed Balance Sheet & Profit/Loss Statement for our three accounting classes of Beulah, Caton's Island, & District Operating are available in your Virtual Conference Packet. Any delegate is welcome to receive further information regarding these reports upon request. Our 2024 year-end fiscal statements have been reviewed by Ascend Chartered Professional Accountants of Sussex, NB. This positive review did not contain any material qualifications requiring action and will be examined for approval by the DBA when it convenes on Tuesday, July 9th. This District Treasurer's review of our financial statements will also appear on our website in the 2024 District Journal published on or before the end of August.

Here are a few *Noteworthy Highlights* from FY 2024:

- Over the past four years as a district family who faithfully pays USF and with Metro's sacrificial investment in the BLT location, we have Partnered in Mission for Kingdom multiplication for a total of more than \$600,000 in partial support of the launch of eight new Kingdom locations in our region! This current fiscal year is the first of the General Conference mandated USF investment in which a portion of last year's income will be invested in Kingdom multiplication. Our DBA proposal has been approved by the General Superintendent which includes partnering with Moncton Wesleyan in the adoption of Miramichi and the launch of a Shediac location. While no new Kingdom locations were launched this year, there are several new Kingdom locations stirring in the hearts of leaders in this room that are not yet ready for public announcement, and we looking forward to investing in the vision God has entrusted to you.
- Our USF collection rate dipped slightly to 93%. However, every single church participated in meeting this obligation, and all but eight churches gave 100% or more which is an improvement over last year. We are blessed with Kingdom leaders who can be trusted to honour their commitments. Your faithfulness is deeply appreciated and makes an enormous difference in the district's capacity to serve our churches and pastors.
- The flow of funds through the district office during the year for all purposes exceeded \$4.1M a new all-time high. It should also be noted that the USF for FY2025 obligations assigned in the Virtual Conference Packet represent a decrease of over \$62K distributed among eight capped churches with assessable income exceeding annual assessable revenue of \$525K. This is a continued result of the action of the 2017 District Conference to lower the district assessment rate beyond denominational requirements by an **additional** 1% between \$525K and \$1.05M and an **additional** 2% between \$1.05M and \$2.1M.

- The rental continuity of Wesleyan Place, our District Office in Moncton has proven to be a phenomenal asset for serving our district leaders and churches with a net cost to the district of less than \$800 per month.
- Beulah and Caton's Island had a combined income of more than \$2M and the district operating fund processed more than \$2M with a combined total in our three accounting classes of more than \$4.1M. Our Executive Administrator Karrilee Bremner is to be commended for her outstanding efforts in managing this massive task with such grace and diligence. She is an exceptional gift to our district.
- Caton's Island ministry continues to expand with the completion last month of The Lodge with 12 rooms of first-class housing for adult volunteers and their families as well as senior staff. As capital projects are receiving unprecedented levels of financial support, in FY24 for the first-time ever, total revenue for Caton's Island exceeded that of our Beulah class. We were just a few dozen short of Director Dean Stephenson's 2025 Vision to see 2,025 registered campers who stay at least one night and hear the Gospel at least once. The growing number of campers is providing increased stability, and the fiscal outlook has never been stronger. Where God guides, He provides – PTL!
- Total district giving to Global Partners was nearly \$150K. This investment represents partnership with 21 projects and 42 missionaries in 17 countries. The top eleven churches on our district are listed in the Global Partners report in your Virtual Conference Packet. While this represents the lowest years in fiscal support for the International Wesleyan Church we have seen in recent history – there are two factors to consider. This is true in part because of increased support in serving our global Wesleyan tribe through World Hope International – Canada. This number has also impacted the district support levels because many churches and individuals are now sending their funds directly through the National Office of The Wesleyan Church of Canada. Both factors demonstrate a diversity of our commitment to remain partnered in ministry with the International Wesleyan Church.
- The WIF loans contain residue balances of just over \$1M from several projects including Heritage Hall, Centennial Park, River Haven, Wesleyan Place and the Tabernacle expansion. However, by far the largest component in this balance is the funding of the state-of-the-art wastewater system which serves continued growth and future possibilities for Beulah Camp and Conference Center operations.
- Our district reserves remain at healthy levels to mitigate unexpected challenges and expenses for a variety of matters. This includes our medical reserve which remains strong to assist in uncovered health emergencies to serve our pastoral families. In addition, more than \$13K of our General Operating fund was invested in providing additional counseling and care for pastoral families in need.

We praise God for His provision. The year-end fiscal position of the Atlantic District continues to provide a solid foundation for the foreseeable future as we seek God for wisdom to invest these resources in our shared mission to unleash churches for transformed lives!

Respectfully submitted,
Sharon Guptill
District Treasurer
